

This is the way to Sungkyunkwan University from Seosuwon bus terminal by Walk. You will be easy to follow.

① Here is the Seosuwon Bus Terminal. Near the terminal, there is the Mate Hotel too, one of the comfort hotel near SKKU which might be your accomodation. Please follow the arrow to get the underground passage.

② Go down to the underground passage, and cross the street. Then go up to ground again. At this point, you can choose two different ways to get SKKU.

One is **Route A**, following the roadway, which will take ~ 30 mins on foot.

The other is **Route B**, across the lakeside park, which will take ~ 20 mins on foot.

First, **Route A**: following the roadway.  
 - Easy to follow, but noisy and bad air from cars.  
 Takes ~30mins.

Next, **Route B**: across the lakeside park.  
- Little bit challenging for stranger, but good nature and interesting promenade. Takes ~20mins.
